Safety Notice

1. Please check and ensure the product has not been damaged before use, if there are any breakages please do not install and use.
2. Please keep the kids far away from the product and don't let them touch any live parts.
3. Please keep packing materials far away from kids when playing, to prevent kids from putting packing material on their head or directly inhaling, swallowing, causing suffocation.
4. The installation of the product must be certified by a professional electrician.
5. Forbid covering anything on product.
6. To ensure that the power cord has enough length and do not be subjected to tension or tangential force, avoid too much tension and power cord ties when mounting connection of light fittings.
7. To protect the eyes from LED light damage please avoid long time looking straight into the LED light-emitting surface.
8. Please be sure power is off before cleaning light fitting, use dry cloth to clean.
